Dear Friends in Christ:

Praise the Name of Jesus Who is our Life.

Jesus tells us the He is the Way, the Truth and the Life.

John 14:6 “Jesus said to him, “I am the way, the truth, and the life. No one comes to the Father except through Me.”

He also said: John 10:10 ““The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly.”

Jessie and have been noticing lately that the worldly people are running out of life. Because Jesus is the source of life the farther they get away from Him the less life they have. We go to what used to be good restaurants and the food they bring us isn't even the same thing they say it is on the menu. It also comes to us either raw or burned. We went to one of our favorite places yesterday and I ordered my favorite buffalo burger. I noticed the the price had gone up and when they handed to me it was a third of the size it was last year. We never complain because we understand as the world runs out of life they begin to panic, so they cut back.

Now the good news!!! As we go to the places where there is abundant life there is also good service. Several places I have gone lately have served and provided more than expected with great quality. I find that the owners, or the people in charge, are Christians. Because they have faith and don't live in fear they have more than enough life. They have abundant life. They have enough life for themselves plus they have life to give away. If the ones who have life work in a worldly place they are usually overworked because they are the ones who have the Life.

What we are seeing then is a world running out of life and the Christians receiving more and more life. As the one is going down, the other is going up. As the world chooses to go deeper and deeper into sin, they have less and less life. As the people of God are drawing closer and closer to God, they are being filled with more and more life.

The ones who don't have life, and are running out of sources of life, are trying harder and harder to steal from those who have, The Source of Life.

John 6:63 “It is the Spirit who gives life; the flesh profits nothing. The words that I speak to you are spirit, and they are life.”

Proverbs 10:22 “The blessing of the LORD makes one rich, And He adds no sorrow with it.”

Seek the source of Life and He will fill you with abundant life.

Ephesians 4:28 “Let him who stole steal no longer, but rather let him labor, working with his hands what is good, that he may have something to give him who has need.”

May the Lord of Life give you Abundant Life.

Thanks again for your love, thoughts, prayers and support.

Yours in Christ, ><>wayne<><
