

## GRACE

### Umerited Favor

When God looks at you as though you already are what you eventually will be and treats you that way.

Grace is the releasing of all God's Rich Resources to help you become all He intended for you to be and to equip you to do all He has called you to do.

Grace is the avenue by which God transfers all He has at His disposal for our benefit. Through Grace all the resources of heaven are made available for and to us.

Grace gives free access to all God has provided for us.

To Him *be* the glory both now and forever. Amen.”
