Dear Friends in Christ.

Praise the name of Jesus Who is always victorious no matter he circumstance.

Many of you know that on Sunday night 11/10/19 Jessie had a stroke and was in the hospital. They removed the clot and the blood flow returned to the affected area. She is now in rehab and is doing great. Thank you for your love and many prayers. Faith works by love and God is working in marvelous ways His wonders to perform. Jessie should be home in about ten days.

For about the last two years God has been moving me into the greater ministry of intercession. When He first spoke to me He said, "I want you to be my intercessor", my reply was, I don't know what an intercessor is or does. Then He told me, "I want you to speak on the earth what I am speaking and I will bring it to pass". Since then everything God has told me to say has come to pass or is in the process of fulfillment.

For the last few weeks the Lord has been showing me that it time for me to stop the traveling and concentrate on the intercession. I have really enjoyed the last 45 years of traveling from town to town teaching His word. I have been blessed to minister in 40 town for extended times and many others for shorter times. So many that I was privileged to minister to have gone on to be ministers for the Lord Jesus Christ. The fruit continues.

Many of you have supported us through the years and for that I am grateful. For those who still want to support the Circuit Rider Ministry not for profit corporation will remain and you can writes you checks to Circuit Rider Ministry. I pray that you will continue to support us in the greater work for the Lord. The Lord told me, "You are not stepping down but you are stepping up" Thank you Lord for honoring, privileging and trusting me wCircuit Rider ith this greater work.

I will be sending out news letters with offering envelopes to those who want to support. I will also be making CDs from home so I can continue to share all revelation the Lord gives me.

God wants us to "REVEL IN THE REVELATION HE REVEALS".

God has taught us to count it all Joy when hard times come because through it we are blessed to witness His glory. We can't overcomer unless we come to something to come over.

Philippians 3:12-14 "Not that I have already attained, or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me. Brethren, I do not count myself to have apprehended; but one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead, I press toward the goal for the prize of the upward call of God in Christ Jesus."

1 Thessalonians 2:17 "But we, brethren, having been taken away from you for a short time in presence, not in heart, endeavored more eagerly to see your face with great desire."

Once Jessie gets better we will try from time to time to revisit each town. We will let you know ahead of time so we can get together visit and worship together.

I will continue to post messages on the Internet where about 1000 people download my teaching each month.

Be Blessed with all Spiritual Blessings in Heavenly places in Christ Jesus our Lord.

Thanks again for all your love, prayers, friendship and support.

Your Servant in Christ. ><>Wayne Brooke<><
