Dear Friends in Christ.

Praise the Name of Jesus Who is our Provider.

It has been fifty years since God told me to quit my good paying job and go into full time ministry and to trust Him for all my needs. I will never forget when that first check came in the mail from someone in Kentucky that we didn't know. How she new us or how she got our address we never found out. The check was the exact we needed to pay the electric which was in the mailbox at the same time. The check was mailed a week earlier before there was a need.

Isaiah 65:24 "It shall come to pass that before they call, I will answer; and while they are still speaking, I will hear."

It has always been a marvel to us how God knows what we need and has provided for us. Philippians 4:19 "And my God shall supply all your need according to His riches in glory by Christ Jesus."

When I was in the Air Force we attended a Baptist church in Roswell, NM. I wanted to teach a Sunday School class. The pastor said I couldn't do that unless I tithed. I told him we were giving as much as we could but is wasn't the full tithe. I prayed and asked the Lord if He would provide the tithe so I could teach the class. Promotions were coming up and I was promoted to airman 1st class. My monthly salary went from \$270.00 to \$300.00 and provided the \$30.00 tithe.

To this day we still marvel how God leads people to support us and He can make whatever money is provided to accomplish so much. When we try to compute it, there is no way it could have happened. We look to God as our source and He provides through people like you. All praise goes to the Lord Jesus Christ.

2 Corinthians 9:10-11 "Now may He who supplies seed to the sower, and bread for food, supply and multiply the seed you have sown and increase the fruits of your righteousness, while you are enriched in everything for all liberality, which causes thanksgiving through us to God."

I know that I say thanks in every news letter but we want you to know that we are very grateful to each one who supports Circuit Rider Ministry both now and in the years to come. People ask when I am going to retire and my answer is, when I die or cant't go anymore.

God has been faithful to meet all our needs all these years and we have never lacked for anything. I asked the Lord one day for His definition of prosperity. His answer; having what you need when you need it. According to God's definition then, I am a very prosperous man.

Thanks again for your support through the years and in the years to come. Our prayer for you is; Philippians 4:19 "And my God shall supply all your need according to His riches in glory by Christ Jesus." THANK YOU!!!!!!

Thanks again for all your love, prayers, friendship and support.

Your Servant in Christ. ><>Wayne Brooke<><
